**Get a team
together and join
us in making a
difference in the
lives of children
living with cancer
for the Tomorrow
Fund.**

More than 90% of the children in Rhode Island and southeastern Massachusetts who are diagnosed with cancer are treated in the clinic at Hasbro Children's Hospital in Providence, where they not only receive outstanding medical care, but also benefit from the supportive program, The Tomorrow Fund. From hospital parking passes to medical co-pays, from meal stipends to bone marrow treatment travel expenses, The Tomorrow Fund provides a unique financial and emotional "safety net", enabling families to focus more on the care of their children and less on the overwhelming financial and emotional burdens that can accompany childhood cancer. For more information on how to contribute, please contact Barbara Ducharme at 401.444.8811.

Keeping Justin's Memory Alive

ALL PROCEEDS
RAISED AT THIS
